

## Student's Book 1

### unit 3 reading page 30

**1 Penny Wilson ...**

- A checks the toes of everyone she knows.
- B doesn't go out with anyone who doesn't believe in toe-reading.
- C won't go out with someone before she has looked at his toes.
- D is only friends with people whose toes she likes.

**2 What happened in B. R. Forer's psychology test?**

- A He asked students to read horoscopes in newspapers.
- B He gave each student a different personality analysis.
- C He gave students different personality tests.
- D He gave each student the same personality analysis.

**3 What did the analysis say about the students?**

- A They are sometimes sociable, and at other times they are insecure.
- B They are critical of others and want people to change.
- C They are strong and admire other people, but are always reserved.
- D They are extroverted, but don't like to be admired by others.

**4 Why does Forer think we believe these types of analyses?**

- A Because they always say nice things.
- B Because we enjoy the idea of having a special personalised analysis.
- C Because they are very good descriptions of our characters.
- D Because the kind of people who believe them aren't very intelligent.

**5 What does the author say about toe-readers and astrologers?**

- A They make him feel happy.
- B He remembers everything they say.
- C He doesn't believe them because they are not logical.
- D He likes to be told he is sensitive.

## Student's Book 1

### unit 3 listening page 35

**1 Why is Patrick reading the magazine?**

- A Because he likes Britney Spears.
- B He likes reading all kinds of magazines.
- C There are some articles he finds interesting.
- D Because it is all about face-reading.

**2 What are the 'marks of fame'?**

- A A wide forehead.
- B Wide eyes.
- C Intelligent eyes.
- D They aren't explained in the article.

**3 Do Louise and Patrick think that the article says anything interesting?**

- A Yes, they think it is a very good description of Britney.
- B Yes, they both think it tells them something new.
- C Louise thinks it is interesting, but Patrick thinks it doesn't tell them anything new.
- D Louise doesn't think it is interesting, but Patrick thinks it is very informative.

**4 Does Patrick agree with what the article says about Ben Stiller?**

- A He agrees with what it says about Ben's eyes, but not his eyebrows.
- B He agrees that you can tell Ben's personality from his facial features.
- C Yes, he agrees that Ben has sensitive eyes and impulsive eyebrows.
- D No, Patrick thinks that Ben's eyebrows look sensitive, not impulsive.

**5 What does Louise say about Patrick?**

- A He isn't dependable because he has straight lips.
- B He's very generous because he has a wide mouth.
- C He likes coffee because he has a wide mouth.
- D He's very generous because he has straight lips.
